

# PHILIP GRAVESON

**Philip Graveson, a New Zealand native, now located in Southwest Colorado, is a 4th generation craftsman. Philip has earned his master craftsman distinction in metal work after 10 years of study and apprenticeship in welding and fabrication. He also taught woodworking and design technology for 12 years at one of New Zealand's finest private schools. In 2006 Philip re-located with his family to Colorado. Now, as proprietor of Graveson Wood & Metal Works, Philip's passion is employing both mediums of wood and metal to create original one of a kind designs for his clients with a focus on exceptional execution.**
