#### KDUR Board Notes

- Rachel will be moving on from her position as development director- last day is June 7<sup>th</sup>- she is working close with Liggett during her transition out of KDUR. Liggett has been the development director in the past so he is not sweating her leaving if he needs to fill in for a short period. Rachel is setting up everything to leave KDUR in a good situation. A search committee is going to need to occur, posting of job will be in Durango Herald, as other avenues. Liggett will need to follow certain protocol of how to post position and make sure it is fair. Tony, Chris and Gail have offered to be on the search committee. When the candidate pool is brought down to a certain number then there will probably be a meet and greet/interview with board. The range of salary will probably be around \$45,000.
- There will be a national search for this position and Liggett already knows that there will be many people applying
- KDUR was recently given from one person \$20,000. She made a very large donation to the college and she made sure that KDUR got a portion of the gift. Barbara Harris was the donor. On June 11<sup>th</sup> from 2 pm-3 pm the foundation has organized a thank you party for Barbara that will be held at KDUR. This gift puts account at over \$600,000. Liggett is going to gauge whether she is interested in being thanked on the air. This is by far the largest single donation to KDUR
- Summer DJ application meeting was 3 weeks ago- the numbers of DJ's was down by 5 to 7 people. That being said everyone who applied for a show got a spot. They will find people to fill in for summer programming if need be.
- Gay and Lesbian Fund- this is a \$3000 grant. \$1500 is given up front and then KDUR needs to make the match. This has been completed and Liggett has turned in the paperwork and this should be provided shortly
- FCC has now said "Bullshit" is no longer a safe harbor word. FCC is saying that "bullshit" can be said or in songs anytime of the day. Board has decided that even though FCC allows this that KDUR is still not going to allow the word "bullshit" to be used

- Future fundraisers for KDUR- shooting for February as all of March is booked up with arts center. There was feedback that Cover Night and Furniture is Art was too close together. This should be kept in mind.
- If anyone is interested in being a judge, KDUR is sponsors of Battle of the Bands at Animas City Theater this is June 15<sup>th</sup>, July 20<sup>th</sup>, August 17<sup>th</sup> and series final is Sept. 21<sup>st</sup>.
- Next KDUR Board Meeting is **Thursday June 27<sup>th</sup> at 5:00 PM**
