

## KDUR BOARD MEETING

ATTENDING: Tony Holmquist, Gail Harris, Chris Jahrling, Flower Olson, Joshua Emerson, Bryant Liggett, Michele Malach

CD Sale: had one this term; will probably have another before the end of this fall term  
Made about \$100

Losing students from the station this term, a director, a d.j., and practicum student

### Membership Drive

Went well; made our \$25,000 goal (raised goal from \$20k)

Still collecting money

Next membership drive will be in the spring (no dates yet)

Previously had thank you phone calls to donors over \$100; board decided that the thank you cards are the best (still could call for really high donors)

Got \$5000 in new donors! (which is great for matching funds from Gay and Lesbian Fund)

Very successful guest d.j. day (with marijuana industry professionals, most of whom also donated); had to have a run-off contest between the top two guest d.j.s

### CPB Audit in process

Still have to raise matching funds; some concern, but we are working on it

### Future Fundraisers

Furniture as Art: 2/28; on track

Cover Night: shooting for February or March; no online voting on cover artist; Liggett will choose (with input); for promotion, will put images of a bunch of artists on the website, knock one off every day until the day of, to keep people guessing

Need to select a new community board representative; quite a bit of interest

Will vote via email; Liggett will send out a document with letters of interest from the 3 finalists; votes have to be in by next Tuesday

Will be using HD signal to broadcast FLC sporting events; will be giving away radios to people who specifically want them and for giveaways on Cross and Peel; link to listen online will be on KDUR website; will make it as simple as possible

Holiday Party will take the place of the board meeting in December; watch your email for an evite with details.
